Potholes are still a concern and a letter has been sent to Highways form several local villages. A meeting has subsequently taken place when the problem of potholes in the area was raised.

Dog fouling is still a problem in the area. Signs have been erected and thanks given to Cllr Sweeney for arranging this. The Chair pointed out the Council cannot police this problem and pointed out it is the dog owners responsibility to clear up any mess.

The Chair thanked all those who had given their time in running the Community Centre, other the past twelve months.

Special thanks to Richard and Roy for maintaining the churchyard and others who have helped.

The Chair informed all present a website has been produced for the Community Centre. He also gave thanks to Cllr Weller for running and maintaining the Scredington Village website. This site will have links to the Community Centre and a new Parish Council website. Cllr R Johnson proposed the idea and this was seconded by Cllr Weller.

Originally the donation was classed as a winter fuel payment. Cllr Pywell proposed payments be made at Christmas.

5 PERSONAL REPRESENTATIONS (18/10)

A resident asked if the Council had purchased any speed signs for the village. It was explained Highways needed certain information before they would install. Council agreed to place a sign by the bus stop, one near the phone box and a further one at the bottom of Main Street, coming in from Helpringham.

The Chairman thanked everyone attending and reminded those present of the Annual Parish Council Meeting and Council Meeting which was to follow.
